HOMESICK

... Father?
Tell me where Kim is. If you don't, I'll make sure you never see the light of day again.
Kim is your daughter...? Surprising. I thought I was your only child.
I don't know who you are. In my eyes, you're just a criminal
Dr. Korloff MD
Don't deny the truth Professor Korloff! I'm your creation!
This disgusting miscreant is your son! All of this is your work!
Don't worry I'm repaying your sins in your place. Therefore, if you want to find your daughter you need to help me!
If you promise to help me, I'll tell you where your daughter is.

... Alright.
Lead the way.
Saving Kim is my priority.
Yes, father.
However, you're wrong
I'm not your father.
I'm not *Frank Karloff.*

My name is Victar.

VICTOR . FOSTER MD
